

**LOS ALAMOS MASTER GARDENERS**  
**Meeting Minutes taken by Judy Magelssen**  
**From meeting on August 4, 2022 at 7:00 pm at White Rock Community Garden**

**Location:** White Rock Community Garden

**Remarks/ Discussions**

- 1) Discussion: Can working in the White Rock Community Garden count toward our volunteer hours? Carolyn noted that our Standing Rules say that programs in which volunteer hours are counted is decided by the local Extension Agent. It was noted this garden is 500 feet lower in elevation than the The Demo Garden in Los Alamos and it is an Educational Garden. Angela will entertain this idea.
- 2) Kok-Heong McNaughton sent an email about the Los Alamos seed Library Project, since she was unable to attend this meeting in person.
- 3) Discussion: Labels for plants in The Demo Garden. Are little signs tacky? Should all the signs be the same? Should each garden lead decide what they want for their garden? Pat showed an example (see below) that some gardeners are using. After some discussion on this topic, it was decided to put this issue on a future agenda.

**metal sign, with a laminated Avery 8160 label**

**No Reports were given.**

Laurie Hixson gave a wonderful talk about the history of the White Rock Community Garden, completed projects (i.e. solar fountain), current projects, and hopeful projects. Betsy Comly added information about recent activity.

Members toured of the garden.

**LAMG Attendees:** Angela Prada, Laurie Hixson, Betsy Comly, Coleen Meyer, Carolyn Mangeng, Dena Brent, Judy Magelssen, Alison Grieggs, Pat McCarty, Pallas Papin, and Laurie & Bob Walker.
